Letter dated 16 March 2015 from the Permanent Representative of Armenia to the United Nations addressed to the Secretary-General

Upon the instructions of my Government, I am writing to convey Armenia's grave concern about the ongoing violations of the ceasefire by the armed forces of Azerbaijan on the line of contact between Nagorno Karabakh and Azerbaijan and across the border between Armenia and Azerbaijan, recorded for the month of February 2015 (see annex).

Since my previous letter on the issue (A/69/767-S/2015/99), dated 5 February 2015, the situation on the line of contact and on the State border has remained tense.

Azerbaijan continues to disregard the provisions of the May 1994 ceasefire agreement, as well as the calls of the international community and, in particular, of the Organization for Security and Cooperation in Europe (OSCE) Minsk Group co-chairs, for restraint. The Azerbaijani side has been intensifying its shelling of the positions of the Nagorno Karabakh defence army and the Armenian armed forces, also undertaking more aggressive attempts to infiltrate the Armenian positions and carrying out subversive operations. Azerbaijani top leadership spreads belligerent propaganda to escalate the situation on the ground, while refusing to demonstrate any political will to register progress in the negotiations and rejecting the withdrawal of snipers and the creation of an investigative mechanism on ceasefire violations as a step towards building confidence.

The military adventurism of Azerbaijan during the reporting period resulted in the death of soldiers Sheqspir Hakobyan, Artak Aghekyan and Hayk Baroyan, and a civilian, Vanik Ghukasyan, while soldiers Sargis Sargsyan, Eghish Abrahamyan, Volodya Sedrakyan, Arsen Hunanyan and Artur Manucharyan, as well as Levon Andreasyan, a civilian, were wounded.

Armenia yet again strongly condemns these continued irresponsible and provocative actions by the Azerbaijani side. The deliberate targeting of civilians unequivocally constitutes a blatant violation of international humanitarian law. The Armenian side remains strongly convinced that there can be no military solution to the conflict but through peaceful means and in the framework of the internationally established format.
